Questions for panel:

1. What is privilege. Specifically white privilege? Give some examples?
2. What's the first step in trying to understand cultural biases and prejudices when I never had to think about it before?
3. Why is black culture so important to you? Why is it important in general?
4. What are some examples of this ministry honoring or paying attention to your culture?
5. What do people assume about you?
6. In what ways have you experienced micro-aggressions throughout your life?
7. What are some of the most common racist statements said by your white peers?
8. When was a time that you were marginalized? How did it make you feel? What could someone have done to help?
9. What are some ways your family prepared you for the world outside your culture?
10. How have your white brothers and sisters made you feel uncomfortable?
11. As a white woman, how can I give better advice to the African American women I disciple?
12. If I use social media as a platform, how do I respond when racially charged events happen?
14. As a white person, how do I show support towards my black brothers and sisters when an event happens if I don't use social media or don't post political topics on social media?
13. What should your white brothers and sisters say if they hear another white person say something racist?
14. What are ways white people gain quick influence with you? Give an example of someone in the room.
15. What type of racism have you experienced at Ole Miss?
16. What are your feelings toward tailgating? What makes you uncomfortable being in the grove (tailgating) during football season?
17. Why are the confederate statues such a point of contention? What do they remind you of?
20. What's your favorite thing about white culture? (on reserve)
18. What are some examples of this ministry honoring or paying attention to your culture?
19. The definition of an ally regarding diversity is, "A person who uses their privilege to advocate on behalf of someone else who doesn't hold that same privilege." What are some ways I can actively be an ally with my peers?
20. How can we make our brothers and sisters feel more comfortable in a space where it seems they are not welcome?
21. What are some other ways we can learn about the history of black culture and oppression? What are some good books to read on the topic?
22. Have you ever felt personally mistreated by a police officer? What happened?
23. What are some things you wish your white brothers and sisters would stop asking you?
24. How has being a minority shaped how you view members of other ethnicities, particularly the majority, and how you view society as a whole?
25. What's something that you value in having friends from a different culture?
26. How do you balance mourning/resisting injustices and celebrating change and growth in majority culture? Or is it so clouded by darkness of injustice in minority culture?
